RE: CMS Certification Number: 200024
Survey ID: IGT913
Termination Rescinded

Dear Dr. Tupponce:

On April 11, 2019, April 12, 2019, and April 16, 2019, a federal revisit survey for complaint # 29471 was conducted at Central Maine Medical Center. This survey determined the hospital was not in substantial compliance with 42 Code of Federal Regulations Part 482, the Hospital Conditions of Participation (CoP): Governing Body (§482.12); the CoP: Quality Assessment and Performance Improvement (§482.21); and the CoP: Emergency Services (§482.55).

On June 6, 2019 and June 7, 2019, a second federal revisit survey was conducted at Central Maine Medical Center to determine compliance with 42 Code of Federal Regulations Part 482, the Hospital CoP: Governing Body (§482.12); the CoP: Quality Assessment and Performance Improvement (§482.21); and the CoP: Emergency Services (§482.55). At this revisit, Central Maine Medical Center was determined to be in substantial compliance with the CoP: Governing Body (§482.12); the CoP: Quality Assessment and Performance Improvement (§482.21); and the CoP: Emergency Services (§482.55). We are advising you that the termination date, which was to have been effective on June 30, 2019, will be rescinded.

Enclosed please find the Statement of Deficiencies (CMS 2567) from the second federal revisit survey completed on June 7, 2019.

If you have any questions or concerns, please feel free to call Marcia Smith at (207) 287-9259 or by email at Marcia.Smith@maine.gov.
